

TWO MEN LAID OFF

The Police and Fire Commissioners Are Stern

WITH CARELESS OFFICERS

General Matters Covered by the Board at Its Regular Meeting Yesterday Afternoon.

The meeting of the board of police and fire commissioners opened yesterday afternoon with a report from Marshal Lemoin. He stated that a committee from Fort Wayne had visited the city early in the week and had given them an exhibition of the work that one of the LaFrance engines could do. He also reported the fact that the fire at Borstein's clothing store Wednesday night was caused by a wet banner in front of the store becoming wrapped about a live electric wire.

Commissioner Judson called the attention of the marshal to accident caused by the men flushing the hydrants and allowing the water to rush out in front of teams. Marshal Lemoin promised to warn the men to be more careful.

He was also asked about the use of fire nets, and was asked for an explanation of the reason for the killing of the man who jumped into a net at Detroit Thursday. Marshal Lemoin stated that he had seen a man jump from the fifth story into a net as a test, but there were enough men to hold it firmly in place. He thought that the reason of the death of the man at Detroit was that there was a limited number of men hold of the net.

Superintendent Carr reported everything quiet in his department. He also reported the suspension of Patrolman Viergever for entering a saloon while on duty. Referred to the committee on men and discipline. Officer Thompson was also suspended for neglecting to try down, following at a box and walking over his head to touch with another of beer. Referred.

D. H. Armstrong offered two sites in the east end for the location of an engine house. Placed on file.

The following bills were allowed:

Hyman, full time policeman, No. 7 steam engine company; Reason Reed, full time policeman, No. 1 company; J. The horse ran away, and the complainant was thrown from his carriage and severely bruised and injured. The carriage was also broken. The bill further states that the complainant is permanently injured, and that he has expended large sums of money in his endeavor to be cured.

A PLEASING PLUMPNESS

Mrs. Claude Clary Is Now as Well as Well Can Be.

The Unreasonable Demand of Modern Housekeeping.

Irritability and Nervousness Are Results to Be Avoided.

The evils of excessive housekeeping must be squarely met if one values the future happiness of her home. The number of women who are becoming victims of nervous ailments, from the strain on nerves and brain is alarmingly on the increase. It is not many steps from over tired nerves, to discouragement, a complaining tongue, and final collapse. Excessive nervousness irritability is the most common result of over work. As a well known physician has expressed it, what pain is to the broken limb, such is nervous irritability to the exhausted brain.

MRS. CLAUDE CLARY.

The remedy for this condition is not hard to find. Paine's celery compound supplies the tired system with all it needs in the way of food for the nerves and nourishment for the blood. Depression of spirits, bad temper, and melancholy disappear with pure blood and stronger nerves.

Paine's celery compound makes sound health a permanent condition. A very short time after taking celery compound there is an unmistakable feeling of increased vitality, clearer brain, stronger powers in every direction.

Mrs. Claude Clary, today one of the handsomest women in Topeka, writing to Wells, Richardson & Co., says:

"I have been a sufferer from nervousness and have tried several remedies, none of which did me any good. This season I tried Paine's celery compound. I used one bottle and it gave me immediate relief; I used two bottles and am as well today as I ever was. I have recommended the compound to several of my friends and am sure that they are satisfied with it." This is the experience of women everywhere.

DR. KILMER'S SWAMP-ROOT CURED ME

D. H. KILMER, DR., Hulmeville, Pa.

WHEN ALL ELSE FAILED!

La Grippe Baffled!

The After Effects Cured

Mr. Kilmer writes: "I had a bad attack of the Grippe; after a time caught cold and had a second attack; it settled in my kidneys and liver, and Oh! such pain and misery in my back and legs."

The Physicians' medicine and other things that I used made no impression, and I continually grew worse until I was a physical wreck, and given up to die."

Father bought me a bottle of Dr. Kilmer's SWAMP-ROOT, and before I had used all of the second bottle I felt better, and to-day I am just as well as ever. A year has passed and not a trace of the Grippe is left. SWAMP-ROOT saved my life."
